

Each year we choose a different charity to benefit from the proceeds of the race and this year the money raised, less race costs, will be going to

Butterfly House is a leading community resource for supporting patients living with life-limiting or life-threatening illnesses. They offer patient-centred care to individuals through the provision of specialist palliative, psychotherapeutic and lymphoedema care. They also support their families and carers.

The South Bucks Community Hospice has been based in High Wycombe for over 30 years and have made a massive difference to thousands of people across South Buckinghamshire with the vital care and support services they are able to offer.

As Ben O’Keefe, Community Fundraiser for the charity, says:-

“The support from the local community over the years has been amazing and we are delighted to have the support of Handy Cross Runners through the Marlow 5 and the Wycombe Half Marathon. It’s great when people are able to combine something they love like running while also being able to support a local charity.”
